On behalf of City Council and the citizens of New Westminster, it gives me great pleasure to extend my warmest greetings and sincere best wishes as you gather in celebration of International Women's Day.

International Women's Day provides an opportunity to celebrate the collective power of women - past, present and future. Women play a pivotal role in society as leaders, policy-makers, caregivers, educators, or international peacemakers.

Congratulations to the hard-working organizers for facilitating this joyous celebration of International Women's Day.

We honour your achievements and wish you every success for a bright, safe and rewarding future.

Enjoy your accomplishments and please accept our community's sincere good wishes for a thoroughly memorable and successful celebration.

Sincerely,
